

# ABBOTTS

## General Reviews: 2005-2006 Vintages

### Wine Spectator

#### [Abbotts Eurus 2006](#)

Rich and spicy, with concentrated flavors of baked apple, ripe peach and piecrust. The finish lingers with buttery notes and hints of smoke. Roussanne, Marsanne, Viognier and Grenache Blanc. Drink now through 2011. 100 cases imported. -KM

### Decanter

#### [Abbotts Boreas 2006](#)

A modern nose, quite clean and fruity with smokey notes. Fine tannins and densley textured. Black fruit with savoury notes, lingering to cassis. Fascinating.

#### [Abbotts Eurus 2006](#)

Lemon and lime with integrated oak. Elegant, forward style. Ripe acid. Quite closed with good balance.

#### [Abbotts Notus 2006](#)

An open nose. Powerful, pleasant and complex. Quite a lot of oak and vanilla. Dark fruits with garrigue and cloves. Balanced, massive, elegant tannins. Oak beginning to mellow. Great fruit; complex. Big.

#### [Abbotts Stratus 2006](#)

Vibrant and rather herbal. Very oaky. Green-edged oak. Blackberry and bramble fruit with a pinch of drying tannins.

Languedoc  
wine

**Abbotts Cumulus Reserve 2005**

Oaky, long and aged nose. Savoury cedar wood and perfume. Sweet, lovely fruit and oak integration on palate. A very good length.
